Section 3. Student opposition (assessment made by the chair)

3.1 Critical review

<table>
<thead>
<tr>
<th>0: Fail</th>
<th>1: The student reviews the selected study and asks questions clearly related to it.</th>
<th>2: The student carries out a careful review of the selected study and asks questions that are directly relevant to it.</th>
<th>3: The student carries out a careful review of the selected study, highlighting and discussing both merits and shortcomings. Alternative methods and interpretations are suggested.</th>
</tr>
</thead>
